

2021 Celebrating Through Art: The First Lady's Mental Health Awareness Youth Art Display

Maryland's First Lady, Mrs. Yumi Hogan, welcomes children & youth to join a statewide art project! The First Lady's Annual Youth Art Display raises awareness about the importance of mental health through artistic expression. This year, Mrs. Hogan asks children & youth to create artwork expressing something that makes them feel happy, healthy, or hopeful.

A selection of artwork will be showcased online for the First Lady's Mental Health Awareness Youth Art Display on Monday, May 3.

Deadline to submit artwork is April 9, 2021. Participants can submit artwork on the Children's Mental Health Matters! website or via mail.
