Uniform Information and Clarification

CMIT South Elementary thanks our community for your compliance with our uniform requirements to ensure that all students are pressed, dressed and ready for success for the 18/19 school year!

All grades K-5 must follow the official CMIT South ES uniform policy as follows:

Required Tops

All students must wear tops with an embroidered CMIT South Logo fulfilled by our uniform supplier, Risse Brothers.

Students and families of all grades are free to choose between navy or hunter green polo shirt with embroidered CMIT South ES logo.

A white oxford shirt with embroidered logo and tie are required for all dress up days (this includes Honor Roll assembly days and field trips)

Students are allowed to wear their white oxford on any non-dress up day as an alternative to the embroidered polo.

CMIT South ES advises the purchase one white oxford shirt and one logo t-shirt (PE days) for all grades.

OPTIONAL TOPS:

Physical Education tee shirt: The logo t-shirt is an optional purchase for lower grades K-2, required for 3rd-5th grades. If you do not wear the tee shirt with black/blue sweat pants or shorts for physical education, you will need to dress in your full required uniform.

On physical education days (1 day per week), your student **will not** change clothes and is instructed to wear their preferred gym shirt (polo or t-shirt) for the entire day.

Sweater/ Fleece: purchasing an embroidered fleece or sweater is advised, but not required. However, students will **not be permitted** to wear non-embroidered sweaters or fleeces inside the school or classrooms arrive the arrival and dismissal times.

CMIT South ES requires that all embroidered uniform orders be fulfilled by our contracted uniform supplier Risse Brothers.
