#CLFCultureFest

Here at the Chesapeake Lighthouse Foundation (CLF) Office of Community Partnerships, we believe **YOU** deserve a raise!

- YES! Our hard-working business neighbors all deserve recognition for the often unseen contributions (tax dollars) to our community.
- **Business tax dollars make public education possible.** We invite engagement with members of MD's #1 STEAM community; CLF schools serve over 3,000 K-12 students & their families!
- **Come share your company's goods or services** and also share a feel-good feeling when we support each other's businesses! Embrace a culture of gratitude as we network, say thanks, and celebrate the unity of our community!
- Together, let's support Maryland's #1 public STEAM students & schools while we help you elevate your business footprint and revenue!

In fact, we'd like to raise a tent for you and 55 of our local, hard working business leaders just like you!

Come out & join our CSP, CMIT, & CLF communities across CLF's 250K sq. ft. STEAM Campus in Laurel, MD!
