

UNITED STATES NAVAL ACADEMY

STEM

GIRLS ONLY STEM DAY

*Virtual Event
for 6th, 7th, and 8th graders*

SATURDAY, OCT 16, 2021

10 AM to Noon Eastern Time

*Discover how engineers and scientists
explore the world and make it a better place for all.*

- Experience hands-on activities using simple supplies, done in real time.
- USNA college mentors will lead middle school girls in fun projects to promote interest and confidence in STEM topics and careers.
- No fee to attend. Advance registration is required.
- Session held on Zoom Webinar platform.
