

CMIT North Clubs - 1

This year, there are many more clubs that are open for entry than other years. We have 34 awesome clubs this year!!! Clubs at CMIT North include Media Club (Tuesdays and Thursdays), Science Olympiad (Mondays), Robotics (Tuesdays and Thursdays), D&D Club (Dungeons and Dragons on Tuesdays), NJHS, Soccer Club (Mondays), and many, many more. We've gathered photos of some clubs with a short description.

Kuk Sool Won-Traditional Martial Arts with Sensei Darren

This is the Kuk Sool Won Traditional Martial Arts club which is held every Thursday in the Media Center. In this photo Sensei Darren is teaching the club participants this stance.

Art Club with Ms. Talcott

Art Club is held every Monday in Portable 3. In here, Ms. Talcott's students are expanding their knowledge about art beyond the standard county art curriculum.

Salsa Club with Senora Cabrera

This is Salsa Club with Senora Cabrera which takes place Monday in Portable 4. In here, students learn how to dance to local and international music.

DnD with Mr. McSparron

On Tuesdays in room 113 DnD (Dungeons and Dragons) with Mr. McSparron, players work together to overcome obstacles as their characters encounter monsters and dangers in a top role-playing game.

Cooking Club with Mr. Brooks

Every Thursday, the widely enjoyed cooking club with Master Chef: Mr. Brooks takes place in room 125. Here children learn how to make fun exciting recipes that taste delicious and are healthy.

Knitting and Crocheting Club with Mrs. Jackson

In room 162, every Monday and Thursday, students meet up with Mrs. Jackson to partake in the knitting and crocheting club. This club shows students how to make basic crochet items and also teaches them how to knit.

Robotics club with Mr. Dokur

In Robotics club with Mr. Dokur, students build and program LEGO MINDSTORM robots in order to promote math, science, engineering, and technology.
