Financial Capability Matters

JA Finance Park® is an innovation in experiential education designed to prepare our region's youth for life and work in the **real world**.

As a JA Volunteer, you'll watch students step into the future and catch a glimpse of what's possible if they take control of their financial future. JA students need your experience, expertise and commitment to help them be *100% inspired, 100% prepared and 100% employed* when the time comes.

What does it mean to be a volunteer at JA Finance Park?

The total time commitment is 5.5 hours, including a 1-hour training the morning of your scheduled volunteer day.

- You will help guide students through different phases of the day, which simulate real-world budgeting decisions, spending research, and bill payment.
- Then you'll share your own life experiences and help them walk a day in your shoes. You bring the program to life.
