Student Parking Rules and Procedures

Vehicles brought onto school grounds must be operated in a safe manner. The speed limit on campus is 10 miles per hour. Driving on walkways or grassy areas is prohibited. Vehicles must yield to school buses and pedestrians.

A valid, current school parking application is required to park on the school parking lot. Student parking is restricted to the student parking lot. Students may **NOT** park in the staff/visitor lot, even if the designated lot is filled. Student vehicles parked in this area are subject to towing without further warning and at the owner's expense, risk, and inconvenience.

The parking lot is **OFF LIMITS** during the school day. All vehicles parked on school lots must be locked. Vehicles are not to be used as lockers. Students are not permitted to go to their vehicles during the day (including lunch periods) unless written permission to do so is obtained in advance from a school administrator.

Smoking in vehicles on school grounds is prohibited, as are the possession, use, and / or distribution of alcohol or drugs. Regular school rules regarding tobacco, alcohol, drugs, and weapons apply to vehicles, the student parking lot and all areas of the school's grounds.

THE SCHOOL IS NOT RESPONSIBLE FOR LOSS OF PROPERTY OR DAMAGE TO VEHICLES PARKED ON SCHOOL GROUNDS.

Students may have their parking privileges revoked if they repeatedly violate the rules noted above, operate their vehicles in an unsafe manner, are repeatedly late to school, repeatedly absent from school, or are repeatedly violating basic school rules. Students will also have their parking privileges revoked if they fail to pay their class dues by the deadline. Violation of parking regulations may also lead to disciplinary action, including suspension from school and/or towing of student vehicles.

The following pledge must be read and signed by the student and the parent before a student may drive and park a motor vehicle on school property.

In consideration of the privilege of parking and operating a motor vehicle on school property, I hereby consent to a search of my motor vehicle at any time while it is on school grounds by a principal or assistant principal upon the determination that reasonable belief exists to support the necessity of a search. All vehicle searches will be made in the presence of a third party. I understand fully that I cannot be compelled to permit this procedure, and that if I refuse to allow a search of my motor vehicle the school administration may suspend my privileges to park and operate a motor vehicle on school property for the remainder of the school year or for such other length of time as the school administration shall decide is appropriate.

I have read and understand the attached policy and procedures for students who drive to CSP. I agree to abide by all the rules and regulations established for parking at CSP.
