

Hello Talented Student Performers!

Thank you for your interest in performing at the **Chesapeake Lighthouse Foundation 4th Annual CultureFEST**. Because spaces are limited for each school, students need to think QUALITY vs QUANTITY! We also request you to submit a video example of your performance. Don't panic! This can be done easily by sending the video link to festival@clfmd.org or sharing the Google Drive for larger file sizes.

NOTE: We will not be able to secure your registration until the video has been reviewed / approved by CLF **CultureFEST** production team.

Here's the easy 1-2-3 direction options for submitting your performance.

- 1- Directly send an email to festival@clfmd.org and attach the video if the file is not too large.
- 2- Upload on Google Drive or any online storage and share with festival@clfmd.org email address.
- 2- Bring with a thumb/flash drive to school contact coordinator.

Here are a few important reminders:

- There will be a **mandatory dress rehearsal (in costume, full length song/performance) on April 9th from 10:00am-3:00pm**. *Yes, we'll cover lunch while you work hard to perfect those moves and grooves!*
- Students that choose not to attend the rehearsal **will not** be able to perform.
- Performers costumes / dress need to conform at minimum to their school dress-down day policies. *Echem...appropriate attire por favor!*

Thank you again! We look forward to having you participate in this very special night! Have FUN!

CLF **CultureFEST** Team
