

HOT

by Keith Middleton & Rodney Willie

Got an email that was sent to me
'bout a party happening this week
It said we're required to be _____
While we're in class sitting quietly
But not for long
We'll get you on your feet
We know you're tired of _____
Same old _____ can make you weak
We can _____ it
We've got the _____
Raves of the party would _____
Word was spreading quickly no one could wait
The girl I wanted to take seemed to _____
She kept _____ on who she wanted to date
Her _____, got so _____, I wasn't waiting
Said I'd go alone, then I got the message
From my best friend, "Yo! This party is hot!"
I hunt up the phone

CHORUS:

Hot

Temperature's changing

Hot

_____ and flaming

Hot

There's no mistaking

_____ fires _____

It's so _____, exciting, _____

Inviting and _____

I don't ever want to go

It was no _____, It was real and I was there

What a beautiful _____

_____ of the crowd and music so amusing

In the _____ of a girl sitting in _____

Her I'm _____, _____, I'm using a _____

Of _____ moves that made her laugh

Siad I be doing much better with a partner

So I took her hand and we started to dance...

Hot

Temperature's changing

Hot

_____ and flaming

*****CHORUS*****

It's so _____ what this jam will do to you
It's certain you gonna like it from your _____ to cuticles
Whenever we perform, this song they want it
_____ above the entrance got our name on it
It's got flames on it, opposite of being _____
If you're frozen or under the _____ come get with it
It'll thaw you out in a New York minute
Soon as we _____ for the DJ to spin it
Got it on blast
_____ the party yeah we wanna make it last
_____ crowd
No they never get tired
Like they drunk a hundred cups of coffee all stay wired
Hot enough to cause a riot, someone go and get a hose
We gonna soak you up with water that'll _____ your clothes
_____ of _____ not the same old song
Not _____ the hotness is gonna blaze on, Yeah
It's blazing hot in here
Hot
Temperature's changing

*****CHORUS*****

So hot in here, make me want to sing

Oo, oo, oo

(x3)

So hot in here, make me want to sing
