

Yearbook Ads

Dear Parents, Guardians and Friends of Seniors and 8th Graders,

Believe it or not, graduation is right around the corner for your senior and/or 8th grader. Why not make their last year special by placing a senior ad in our yearbook?

Each ad is in full color and is designed to be a one-of-a-kind memory. Yearbook staff members will combine your photos and message of congratulations, love and support to create a completely personalized ad design.

Some parents choose to keep their ad a surprise until yearbooks are handed out. Just indicate that the ad is secret on the form; only the yearbook staff members creating those pages will know.
