

CHESAPEAKE MATH & IT ACADEMY UNIFORM POLICY 2016-17

POLICY: Students are expected to wear the CMIT uniform at all times and to dress and groom themselves to reflect cleanliness and safety. All students should dress appropriately so as not to disrupt or interfere with the educational program or the orderly operation of the school. The Principal or other authorized school official shall determine whether any particular use of the school uniform is in violation of the spirit and/or the intent of this school uniform policy. Students and parents are expected to honor the uniform code in order that valuable school time is not spent examining student attire to determine appropriateness. The uniform policy is in effect from the time students walk into the building to the end of the day when the after school programs are over.

APPLICABILITY: The provisions of this policy apply to all students who are enrolled at Chesapeake Math and IT Academy (CMIT) Public Charter School. It is issued for information and guidance, and requires compliance at all times. Uniforms Not Purchased From Uniform Supplier

Although the suggested uniform company has individual components of the CMIT uniform, it is not a requirement that the uniform be purchased from that vendor. (The vendor's information is to be available after July 5, 2011)

All uniform tops must have the CMIT logo embroidered on the left upper.

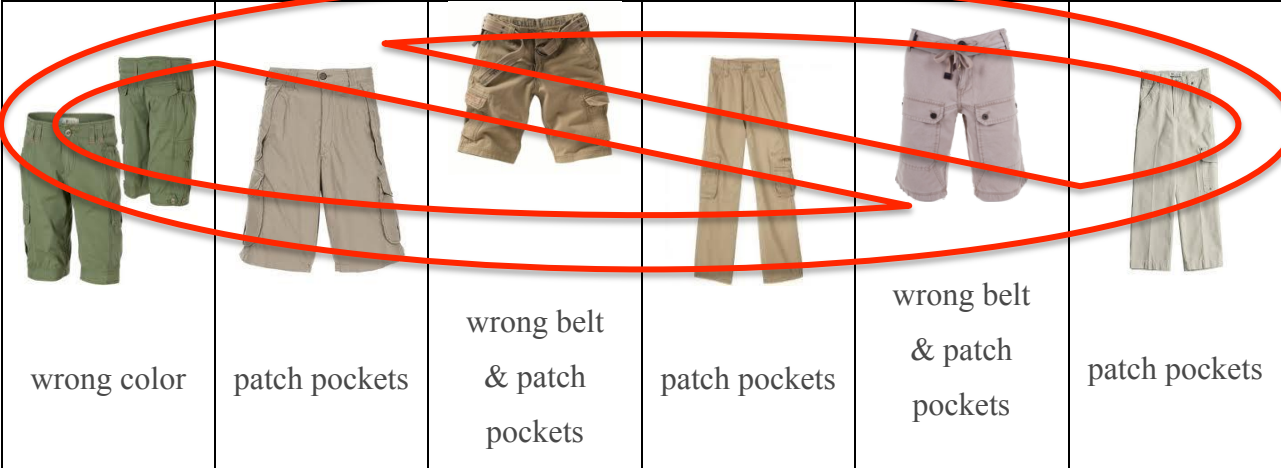

Should a student's uniform not comply with the uniform dress code, they will be considered in violation. Students who violate the uniform code will be allowed to call home for an appropriate change of clothing after obtaining administrator approval.
