Dear Blessings,

Valuable Blessings, Inc is hosting its 7th annual

"Adopt a Family/Toy drive for Christmas"

This year we have adopted 13 Domestic Violence victim families and we would like to supply baskets to them that consist of Gift Cards (toys for children) Gift Cards (for food) and winter items such as hats, gloves, scarves, long johns etc.

If you can find it in your hearts to assist us with this mission we would greatly appreciate it and I am sure the families would as well. We are trying to collect as much as we can for these families so that we can put a smile on their faces during this difficult holiday season. Remember we are accepting new and slightly used toys, video games, and clothing (please no broken and/or stained items).

We decided on Gift Cards to make the parents feel a little better about the situations that they are in. This way they can at least go and shop for their own children if they have the gift cards to make things a little easier.

ALL DONATIONS SHOULD BE RECEIVED NO LATER THAN DECEMBER 16, 2016.

PLEASE CONTACT US @ HOLIDAYS.VB@GMAIL.COM WITH QUESTIONS.
