

Are you

# INTERESTED IN SCIENCE AND TECHNOLOGY?

Please plan to attend an Information Night at one of our

## PGCPS Science and Technology Centers

*Charles H. Flowers, Eleanor Roosevelt and Oxon Hill High Schools*

This information session is for parents and students in middle school who want to learn more about admission into the PGCPS Science and Technology Program. Current 8<sup>th</sup> & 9<sup>th</sup> grade students who are considering admission for SY 2017/2018 will get an opportunity to speak with Science and Technology Coordinators, and students as well as view activities of current students in the Science & Tech program.
