

Learn about the Partnership for Assessment of Readiness for College and Careers (PARCC) Individual Student (Home) Reports for your child.

If your child is enrolled in Grades 3-12 and took a PARCC assessment last school year, you should have received an Individual Student Report that provided information about his or her results.

Would you like to have a better understanding of these results and learn more information? Please click the link below to **[register](#)** and participate in this online Webinar/Online meeting. Registration Link: <http://www.surveytracker.net/scripts/survey.dll?AHID=08A00F>
