

3RD ANNUAL CMIT ELEMENTARY LEGO NIGHT

CMIT Elementary School is providing an opportunity for students to show off their creativity and Engineering abilities with a Lego Challenge. All submissions will be showcased at our third annual LEGO NIGHT, held on Friday March 24, 2017 from 6:00pm to 7:00pm. See the chart below to find your child’s grade level challenge requirement. **Note: Projects must be constructed at home and may not be a prepackaged Lego kit. The key to this challenge is CREATIVITY.**

Grade Level	Topic and Challenge	Maximum # of Legos To Be Used
Kindergarten	Animal: Build your favorite animal.	50
1st Grade	Car: Build a cool car.	50
2nd Grade	Transportation: Build any type of vehicle.	100
3rd Grade	Robot: Build your favorite robot.	100
4th Grade	Symbol of Maryland: Create a Lego structure That symbolizes our state.	200
5th Grade	Architecture: Design a Lego structure representing A particular style of architecture. You may want to research different cultures or time periods to aid in your design.	300

All entries must: Arrive at CMIT Elementary School no later than, March 15th, 2017. Be delivered in a shoebox (The student’s name and grade should be clearly written on the box). Feature a base for the structure no larger than 6” by 12” Please remember to follow the Lego piece requirement for each category. All projects will be on display at the 3rd ANNUAL LEGO NIGHT on Friday, March 24, 2017. **If your child is interested in participating in the 3RD ANNUAL LEGO NIGHT. Please fill out the bottom portion of this Letter and return to Mr. INCI latest by: Wednesday, March 15th,2017. Participating students will receive extra credits for Lego class and students will be given certificate of participation.**
