

Saturday April 8th

29th Annual Potomac Watershed Cleanup

Join your Neighbors

Make a Difference and Volunteer

When: Saturday, April 8th 9:00 – 2:00 (rain or shine)

Where: Lot 39 Waterfront Park - 13920 Piscataway Drive, Ft. Washington

We'll start picking up litter along the shore of Lot 39 Waterfront Park and work our way up and down Piscataway Creek between Ft. Washington Marina and the 210 Highway Piscataway Creek overpass.

For the adventurous, two boats will transport volunteers to and from Piscataway Creek Island and other inaccessible shoreline locations.

**We'll provide: Gloves and Plastic Bags
Hot Coffee, Water, Sodas, Doughnuts
BBQ Lunch @ 12:00 noon (weather permitting)**

Middle/High schoolers can get Student Service-Learning (SSL) Hours too !

If picking up litter on a Saturday morning is not “your thing”, we also need help signing in volunteers, distributing gloves & plastic bags, counting targeted items such as balls, tires, etc., and assistance with our BBQ lunch.

If you plan to volunteer, please contact:
