

## Spring Break Extra Credit: Newspaper Article

**Directions:** You are writing a feature article about the region called Latin America which includes Mexico, Central America, the Caribbean Islands, and South America.. Because of many years of Spanish influence, Latin America is united by common cultural practices. Through your own research and what you have learned, write an article about aspects of daily life that unite Latin America. Focus on things like food, sports, festivals, religions, and clothing. Please include at least 3 pictures in your article.
