## CHAIN OF COMMAND

Your first point of contact should be the person that you have a specific question, comment, or concern for. If you are unable to resolve your concern, you will report to the next person on the chain of command. The chain of command starts at the bottom of this chart and works its way up except for those staff members listed on the top right, who report directly to Mrs. Ozturk.

Note: all Department members (teachers) report to their Department Chair. Department Chairs report to their assigned Assistant Principal (see above). Members of the Leadership and Support Teams report directly to Mrs. Ozturk, except for Support Specialists, who first report to our two Assistant Principals.
