## ReplayIt® app

The ReplayIt® app is the best way to share photos with your school community while making them available for your school's yearbook. After going through moderation, your photos are viewable by community members for tagging, liking and sharing. ReplayIt® is the best way to collaborate and celebrate moments that matter. Download ReplayIt® from the App Store or Google Play for free today!
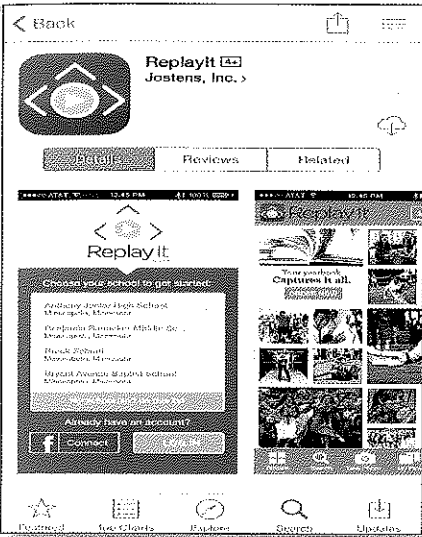

1. Download the ReplayIt® app from the App Store or Google Play. Then find your school and join its ReplayIt® site. (Users must be 13+ or older.)

2. Once logged in, the ReplayIt® photo gallery will display all pictures currently uploaded to your school. To add a new image, click TAKE PHOTO.

3. Either take a new photo or select a photo from the photos on your device.

4. Choose a category, identify people in the photo, add a caption and then click the UPLOAD button. All photos are moderated before being added to the gallery.

5. Once approved, your pictures will show up in the photo stream. Share your favorites on social media or via a URL link on email.
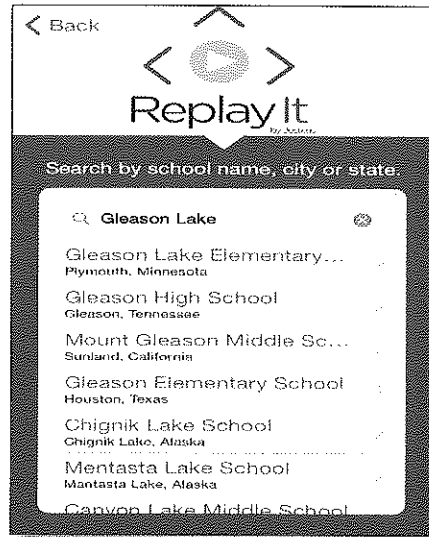

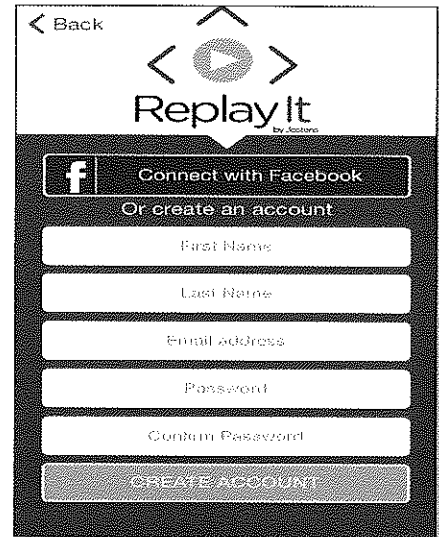

Using Your ReplayIt® app

1

From the App Store or Google Play, download ReplayIt® and launch.

2

To get started, find your school name. Click on it.
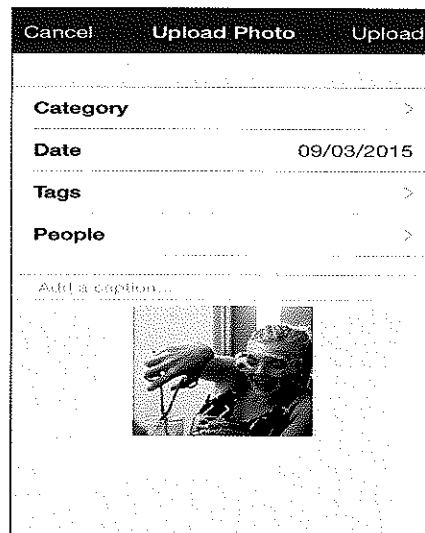

3

Connect with Facebook or create an account.
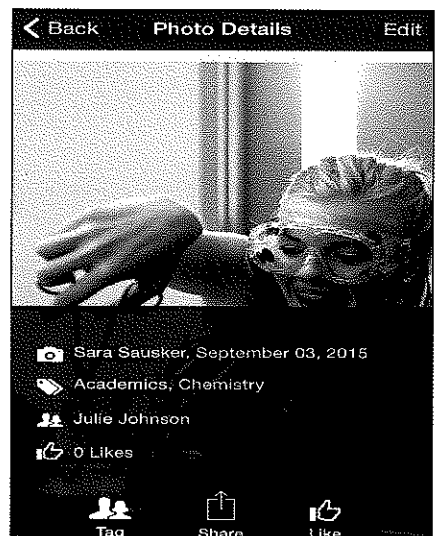

4

Stream lists all photos already on ReplayIt®. To add, click the camera tab to add from your phone library or to take a new photo.

5

Select Category, tag the photo and add names of the people on the photograph. Click Upload.

6

After getting approved, the image can be shared on social media and liked.
