

Hello CMIT South MS/HS Families,

As we begin the new school year, we want to make sure all parents and students are aware of the CMIT South attendance policies. At CMIT South we follow the PGCPs attendance policy AP 5113. Below are some quick bullet points of the attendance policies:

- CMIT South will use the google form [2022-2023 Absence Reason Notification Form CMIT South Middle/High School](#) for all students absences. This form will serve as the official means of parent/guardian notifications for student absences.
- CMIT South **does not take** paper excused/doctor notes. When a student is going to be absent please fill out the google form [2022-2023 Absence Reason Notification Form CMIT South Middle/High School](#). This form will be sent straight to the attendance manager.
- Parents are the only ones who can fill out the form and email the attendance manager about a student who is absent. A student cannot send the email or fill out the google form, the absence will not be excused if a student does it.
- The google form must be filled out **within 3 days** of the student's absence, otherwise, the absence will not be excused.
- Students who are considered **unlawfully (unexcused) absent** from school or a class will not have the opportunity to make up missed assignments.
- A doctor's note is needed if a student is reported absent for three school days for an illness and an physician's certificate will be required if a student absences reach six days. Please send the physician's certificate directly to the school's attendance manager at attendance@cmitsouth.org.
- **Mental Health Day.** Students may receive as an excused absence one (1) day of absence in each semester of each school year for a student's mental health needs. A note from a physician to excuse a student's absence for mental health needs is not required.
