8TH GRADE HEARING AND VISION SCREENINGS

May 18, 2021

Dear Parent/Guardian:

All 8th grade students attending in-person learning will participate in hearing and vision screenings starting May 24, 2021. This is a State of Maryland mandate that has not been waived during the pandemic. Students will be called to the health room one at a time and all equipment will be disinfected between students. If you wish for your child **NOT** to participate in the screenings, please email the school nurse at crystal.anthony@pgcps.org.

Thank you,

School Nurse
