

Girls Talk Math Online Camp 2021

An ONLINE summer math program
for Grade 9 to 12 girls

July 19-July 30
Weekdays 2 - 4 pm EST

Past topics have included: number theory, cryptography, dynamical systems, quantum mechanics, mathematical billiards, network science, finance, and disease modeling.

Campers need to have internet and computer access. We have limited laptops to lend out (first-come-first-serve).

Application open until June 1st:
