

# University of Maryland The Physics of Quidditch Summer Camp

This innovative summer program combines physics, the real-life sport of quidditch, and the books and movies from the world of Harry Potter. Come explore the magic of Hogwarts and the concepts of mechanics, optics, magnetism, and modern physics.

**RISING 5TH-7TH GRADE**  
**TUESDAY, JULY 5TH TO SATURDAY, JULY 9TH, 2022**  
**WITCHES AND WIZARDS WELCOME!**
