

# Registration for COVID Testing with Capital Diagnostics

Step 1:

Go To: <https://capitaldx-patient.limsabc.com/#/>

Step 2:

Click on "Register as a new patient"

Note: On the registration page the top right corner says EN. If you drop down it will say ES (Spanish) and EZ (Chinese). Families can also call the lab as we have Spanish speaking staff that can help them register over the phone (301) 498-0340.

Step 3:

Enter Office Location Code as: PGCMITMS and then click "Next"

Step 5:

Read and acknowledge the registration disclaimer, then check the box for "I agree" and click "Next"

Step 6:

You MUST type the registration fields for the **Student** (individual being tested). If you are the parent or guardian of a minor being tested, the minor's information is what is entered into the Medical Data section of the registration.

***\*IMPORTANT\* When you reach the "PAYMENT INFORMATION" tab, you must select the "Maryland K12 Schools" tab. This will ensure your test is covered by the State screening grant.***
