This year, empower your child — one of the region's future leaders, movers, and shakers — to answer the demands of a complex economy with **"I can."**

**Be a JA<sup>®</sup> Hero by joining your student this year at JA Finance Park<sup>®</sup> and watch them step into the future and get a look at what's possible if they work hard and dream big.**

#### NEXT STEPS:

- Contact your child's math or social studies teacher to indicate your interest in being a part of the JA Finance Park<sup>®</sup> experience.
- Visit [www.myJA.org/programs/financepark](http://www.myJA.org/programs/financepark) to learn more about the program and the facility.
- Arrive at your scheduled volunteer time ready to empower the future:

**JA Finance Park<sup>®</sup> Prince George's County**  
**960 Nalley Road**  
**Landover, MD 20785**

#### AN EXPERIENCE UNLIKE ANY OTHER

Following 14-hours of in-classroom financial building blocks taught by your child's teacher, your student will put their financial skills to the test in the digital learning environment of JA Finance Park<sup>®</sup>.

- Students will leave behind their lives as students and become adults with careers, families, salaries, a credit score, and financial obligations in the **fully digital, innovative, hands-on environment of JA Finance Park<sup>®</sup>**.
- JA Finance Park<sup>®</sup> students will **make decisions using tablet computers** on buying a home, purchasing and maintaining a vehicle, budgeting for student loans and health care expenses, and choosing child care, among other decisions designed to prepare them for the future.
- **90 percent** of JA Finance Park<sup>®</sup> graduates report that they felt significantly more confident in their ability to make the right choices in life after participating in the program.

#### WHAT DOES IT MEAN TO BE A VOLUNTEER AT JA FINANCE PARK<sup>®</sup>?

- **The total time commitment is 5 hours, including a 1-hour training prior to your child arriving at JA Finance Park<sup>®</sup>.**
- You will use your training knowledge to guide students through different phases of the day, which simulate real-world budgeting decisions, spending research, and bill payment.
- As you guide students through the digital simulation, you'll share your own life experiences and help them walk a day in your shoes. You bring the program to life.
