

Hello Parents and Students!

While this week is Spring Break, some students have asked that optional/recommended assignments be posted for the week. I am going to continue with our schedule and focus on Period 3 this week, but not grade any assignments until the due dates listed for each assignment. I will post a survey on Wednesday evening to see who would like to have a Google Hangout on Thursday, April 9, but that will be optional to attend and a recording will be posted for others to review. All assignments will open up on Monday, 4/6 and will be closed on the dates listed for each assignment at 11:59pm. Each assignment is meant to be a one-day assignment, so even if it is not worked on next week, it should be completed by the due date listed.

Key Things to Note for APUSH Exam:

- May 15, 2020 at 2pm
- DBQ Essay: 45 minutes and then a 5 minute upload (100% of exam score)
  - 5 historical documents, one of which will be non-text based
  - Prompt will be from any of the Periods 3-7

Here is the course work for this coming week:
