

# TRAVEL ABROAD WITH LEARNSERVE!

LearnServe Abroad offers a global look at social change.

Learn about social innovation & international development – then spend your summer in **Zambia, South Africa, Paraguay, or Jamaica** working hand-in-hand with local organizations to strengthen their communities.

“This trip has changed my view from ‘Oh, that’s so sad but I cannot do anything’ to **‘That’s so annoying. Let’s fix it!’**”

I want every single person who reads this to explore the world, see what I saw, and feel the feeling I feel today.”

~ Student, LearnServe Zambia
