INT 1111 Programming Logic and Design	867333 Foundations of Computer Science DE	1.0 elective credit	INT1010

Prince George's County Public Schools and Prince George's Community College
Dual Credit Course List

INT 1330 Integrated Applications	553163 Office Systems Management 2 DE	1.0 elective credit	ANY
INT 1450 CCNA 1: Network Fundamentals	886543 CCNA Networking DE	1.0 IT Systems Engineering Credit	ANY
INT 1460 CCNA 2: Routing Protocols	886553 CCNA Routing DE	1.0 IT Systems Engineering credit	INT1460
INT 1540 Computer Hardware I: A+ Prep	898883 IT Essentials 1 DE	1.0 elective credit	ANY
INT 1700 Understanding Operating Systems	886583 Systems Engineering 1 DE	1.0 elective credit	R & INT1010
INT 2130 Programming in C++	Intro to Computer Science DE	1.0 elective credit	INT1111
INT 2140 Problem Solving with Spreadsheets	553153 Office Systems Management 1 DE	1.0 elective credit	INT1010
INT 2540 Computer Hardware II: A+ Prep	898893 IT Essentials 2 DE	1.0 elective credit	INT1540

Important Notes

- Students will ONLY earn high school credit for the classes listed above. Students will not be able to register for courses outside of this list.
- After applying for PGCC courses, Registration Professionals from PGCC will come to our school to run a Registration session. Students who know how to register can do so at home on their own, but those that need help will need to attend the Registration session.
- Courses taken in the Fall of your Senior year will *not* affect your high school GPA. Courses taken in the Spring of your senior year will *not* be added onto your high school transcript at all, but they will be on your college transcripts and will transfer to colleges like most other courses.
- Information about applications will be sent out to students and families in November

April 1, 2018
