CLUB BOOKLET - SY 2019

CMIT South Elementary continues providing broad range of extracurriculars. In this booklet, you will find an introduction for each club including time, location and a brief description. Please check out this booklet before you take the club selection survey. Club selection survey window will be open between September 27st and 30th and will be shared via school newsletter on Friday, September 28, 2018. Scholars will be able to choose up to two clubs in club selection survey, and can register in one club only. Completing club selection survey does not grant club registration.

1. Student Council

Students will represent their classes and assist in community service and school spirit initiatives. Geared towards students who are responsible, respected by classmates and teachers, and/or could benefit from learning leadership skills - the council will run in the same manner as Congress.
