

## Computer Technology - Optional Winter Break Assignment

(Due Tuesday, January 5, 2016)

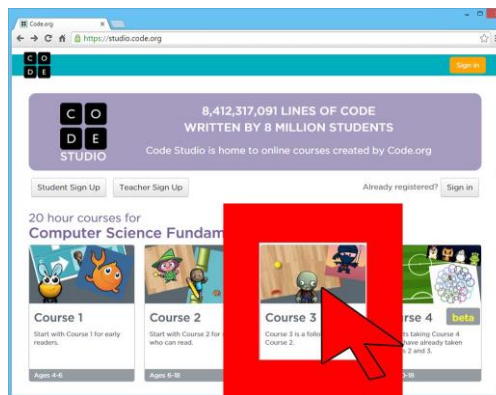

This is an optional assignment worth extra credit as a “classwork assignment” grade.

### Directions

- 1- This is the most important step because you will need to save your progress. Go to the following website and log in using your **CMIT South** email ([https://studio.code.org/users/auth/google\\_oauth2?user\\_type=student](https://studio.code.org/users/auth/google_oauth2?user_type=student))

- 2- Take the Course 3 (<https://studio.code.org/s/course3>)

- 3- Complete stages **1-10** minimum. All the circles with numbers should be **green** for stages **1-10** showing completion. **Yellow** shows you attempted it. Make sure everything (**1-10**) is done.

- 4- We will check your progress when you come to school on **Tuesday, January 5, 2016**
