### PGCPS SAT DAY - MARCH 6, 2019

January 7, 2019

Dear Parents/ Guardians,

This email is to inform you the Prince George County Public Schools will hold countywide SAT Day on March 6, 2019. All 11th grade students will have the opportunity to take the SAT at CMIT South MS/HS on this day. This test will be held during the regular school day. The SAT is accepted at all U.S. colleges; it measures what students are learning in high school and what they need to know to succeed in college and career. We're pleased to offer SAT School Day to 11th H.S. juniors so that

- Your teen is more comfortable and confident by testing in a familiar place.
- You don't have to worry about logistics of getting your teen to a test center.
- No one has to worry about weekend conflicts or disrupting family time!

To learn more about SAT School Day, we invite parents and families to attend our High School Junior Night on January 31st, at 6:00 pm in the auditorium. During this event, school team will share information related to senior year instructional scheduling and CMIT South MS/HS preparation for senior year. After this meeting, the class of 2020 committee will hold a short session on current preparations and next steps. Please mark your calendar and plan to attend.

Please click on the link at the bottom of the letter for additional resources to help prepare your child for the SAT Assessment. CMIT South MS/HS Saturday Academy will provide SAT Prep assistance in Math leading up to 03/06/2019. Students are encouraged to take advantage of resources and practice test available on [khanacademy.com](https://khanacademy.com). There will be opportunity for English SAT prep during College Summit electives.
