On Monday, May 6th Upper elementary students will participate in a pep rally. The pep rally will consist of music in the cafeteria and test prep videos reviews. The moon bounce and just dance can be going on in the gym. The connect four, basketball, jump roping, and bubbles will be outdoors. (Maybe popcorn and juice?). Students will be challenged to create the TEST prep videos on imovie and send them to Ms. McCain by 5/3 so we can view them during the Pep Rally.
