

### Reading

We are still in the midst of our novel study unit. This week we read chapters 9-12 of the novel "Charlotte's Web".

### Social Studies

We finished our unit on Building a Nation. During this unit, Scholars learned about Native American tribes and European Explorers. We also read about the Declaration of Independence and the Constitution.

### Reminders:

Spring Break Extra Credit for RELA and Social Studies is due April 6th by 2 PM. NO late submissions will be accepted.

High Success Project Due by Friday, March 26th 2021 by 6PM.

Study Math fluency of Multiplication and Division

April 8th hybrid learning begins

### Math

We are closing on division and beginning fractions as we return to classes. We have mastered how to justify our work!

### Science

We have begun diving into Life Cycles unit by discussing about agriculture.

# SPRING BREAK!
