Frequently Asked Questions:

1) What is the appropriate age for your program?

Our program is structured for girls in middle or high school or between ages 11 and 18.

2) If my girl misses a live session with the instructors and experts, how will she be able to catch up/learn ?

All our live sessions are recorded and the video replays are uploaded into our online learning platform for easy access within 48 hours.

3) Will my daughter benefit from this program if she's not an Entrepreneur?

Definitely Yes, Our program focuses on teaching kids to be confident, leaders, problem-solvers, financially savvy and how to stand out from the crowd which are also necessary life and leadership skills .

4) Can my daughter participate if we just want her to learn on her own (self-paced) and get access to your materials?

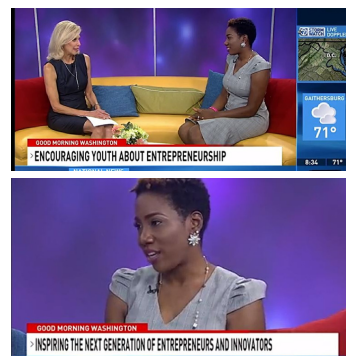

Yes, we do have two enrollment options - We have the **Digital-access only** where the student gets 24/7 access anytime to our learning portal and library of resources, videos, workbooks etc. so he/she can self-study.

We also have the 2nd option which is more popular (**Digital + LIVE Access**) and gives the student 24/7 Digital access to our learning platform **AND** also LIVE Virtual ACCESS to our monthly LIVE workshops with coaches, experts and instructors and other like-minded students.

5) Who gets the Quarterly Leadership and Lifestyle box? And what comes in it?

The Quarterly Leadership and Lifestyle box is optional. It includes several resources and items to enhance your students learning experience such as a book/journal, learning materials, resources, beauty/self care products.
