

DOES YOUR CHILD NEED SHOTS FOR SCHOOL?

Prince George's County Public Schools (PGCPS) students must meet Maryland state immunization requirements to attend school. Students who do not have all their required immunizations will not be allowed to attend school after September 23, 2019. For details, visit www.pgcps.org/immunizations.

WHERE DO I TAKE MY CHILD TO GET SHOTS?

Families who have health insurance should make an appointment with their child's pediatrician to get the shots they need for school. The health care providers listed below immunize children without health insurance on a sliding scale or for free, depending on family income.

WHAT DO I BRING TO THE SHOT CLINIC?

- Proof of residency
- Proof of insurance (if any)
- Child's immunization (shot) record
- Proof of family income

WAIVER OF LIABILITY: Prince George's County Public Schools does not endorse any of the private retailers, store chains or health clinics listed above. The best care for a child is with a regular primary care physician or pediatrician. Parents/guardians of children seen for immunizations at any of these private clinics should obtain a copy of immunizations to bring to the school nurse and should share these records with their child's regular doctor.
