RE: CTE Career Credentials Night

The Department of Career and Technical Education (CTE) is hosting a virtual CTE Career Credentials Night on **Thursday, March 3, 2022**, from 6:00 p.m. to 6:45 p.m. and 7:00 pm to 7:45 pm. An encore session will be held on **Tuesday, March 8, 2022**, from 6:00 p.m. to 6:45 p.m. All current CTE students and families are encouraged to attend.

CTE provides students with the academic and technical skills, career-oriented exposure, and the knowledge and training necessary to succeed in future careers. During this session, you will learn more about the multiple certifications, licenses, and college credits CTE programs offer. CTE students may opt to enter the workforce upon graduating from high school or matriculate to a college or university.

For an updated listing of CTE programs and locations, click [here](#) or visit the CTE Career Guide at <http://www.flipcareerguide.com/books/fahx>.

Please have your CTE teachers post the attached [translated flyers](#) (linked) in their Google Classrooms.

If you have any questions regarding the CTE Career Credentials Night, feel free to contact Mrs. Danielle Carter, Instructional Specialist, at danielle.carter@pgcps.org.

Thank you for your continued support.
