

Chesapeake Science Point Public Charter School

CSP is dedicated to providing an academically rich and well-rounded high school experience. Just as in other area high schools, we will be collecting class dues. Class dues are mandatory and go to each individual class to offset the costs of graduation and other activities that are class related. Based on our small population, CSP Class dues will be set as such:

Total of all four years: \$120

This amount will be collected over the course of 4 years in increments:

9 th	\$15
10 th	\$25
11 th	\$35
12 th	\$45

- **SENIORS will NOT be able to purchase/attend senior prom OR receive graduation tickets if class dues are not up to date. This includes a debt list for textbooks, etc.**
- **Underclassmen will NOT be permitted to purchase tickets/attend events unless class dues are up to date.**
- **All 11-12th grade students with driving privileges must keep their class dues up-to-date, or the privilege will be revoked, and no refund will be issued for the parking pass.**

Please detach and return the bottom portion of this letter with cash/check made payable to Chesapeake Science Point PCS and **turn it in directly to the grade level class advisor listed below**. You may pay your required yearly amount or the entire balance in full. Both the financial secretary and the class treasurers' will keep an accounting of funds. There will be an additional \$25.00 fee for all returned checks.
