Spanish Teacher  
Program/STEAM Coordinator

#### About your Instructor

Welcome to Spanish. My name is Mrs. McCain-Wigfall, and I will be the Spanish instructor for your child/ren for the 2021-2022 school year. I have over sixteen years of teaching and training experience in education. I am a Maryland Certified Educator. I have a Master's in Education with a concentration in Instructional Technology. I like to teach using a hands-on approach. I am very excited to have your child/ren in my class. My class Motto is Fair, Fun, and Firm.

In my class your child/ren will be encouraged to use technology for learning. Most of our classwork will be inquiry-based assignments that require critical thinking. At CMIT North Elementary we use a STEAM (Science, Technology, Engineering, Art, and Math) approach of teaching, for engagement and meaningful learning. I am excited to integrate STEAM and Spanish. Please sign-up for ClassDojo and download the app (enabling notifications), so that we can start communicating right away. ClassDojo is our behavior management and communication system. The school number is 240-573-7240. I am excited to help your child/ren build inquiry based knowledge through real world experiences.

#### Class supplies

1. pencil
2. computer

I look forward to an amazing school year. My email address is [bmccain@cmitelementary.org](mailto:bmccain@cmitelementary.org). Feel free to reach out to me if you have any questions.
