## **CLUB BOOKLET - SY20**

CMIT-S continues providing a broad range of extracurriculars. In this booklet, you will find a brief description of each club including time and location. Please browse through this booklet and read the descriptions before you take the club selection survey. The club selection survey window will be open between September 27 - October 3rd and will be shared via school newsletter on Friday, September 27, 2019. Scholars will be able to choose up to two clubs of their interest in the club survey but can register for only one club. Completing the club selection survey is not registration for the club once the student is notified by the club sponsor that they have been granted a slot in the club, the student may register for that club.

### **1. SGA High School**

Scholars will work for multi-level grade events and have representatives for each class in governing body. Scholars will work to associate school with PGRASG and Maryland SGA. Officer elections and class representatives will be selected via student vote.
