Dear Parents of the Class of 2022,

I have added some additional information below. Please take time to read over the recent updates.

Graduation will be here before we know it and I'd like to take this opportunity to share some important information with you.

Beginning in 2017, AACPS adopted a Latin Honors System to recognize the academic achievement of our outstanding seniors during the commencement. This tradition will continue this year. As in previous years, we will have the Senior Class President bring welcome remarks and introduce distinguished guests. Two years ago, AACPS introduced a new criterion for the two senior guest speakers. Each high school principal will provide notice to all summa cum laude seniors that they have an opportunity to apply to be the graduate student speaker. The student speaker will be selected by a school-based committee from a pool of applicants that have earned the Summa Cum Laude Honor. The selection will occur no later than -----April 22, and the school-based decision will be final.

CAP AND GOWN:

All seniors participating in the graduation ceremony must be dressed in proper regalia. If you haven't ordered your child's cap and gown, please do so. The only stashes or stoles that can be worn are the Latin Honors, National Honors Society, Spanish Honors Society, and Science Honors Society. Ordering can be done at Jostens.com. You will select the school and then select Graduation items.
