Teaching your dog the basics should be a fun and positive experience for both you and your dog. This 7-week class is designed to teach the basic cues (sit, down, stay and come) and then apply those cues to "life skills" such as: meet and greet while leashed, wait at the door, settle on a mat, loose-leash walking, give it/take it, and leave it. Classes have no more than 5 dogs so you feel as if you are receiving "one-on-one" training.

PARKOUR FOR DOGS

AGES 18+

Dog parkour is also known as urban agility- It is a fun, non-competitive team sport with you and your dog and is based on the same principles as agility. It combines elements of human parkour and dog agility to create an accessible activity for dogs and humans alike. Dogs get introduced to the world of jumping, climbing, balancing on, crawling under, and going around different obstacles in their everyday world such as boulders, fallen trees, playground equipment, tree stumps, fences, posts, park benches, walls, and whatever your imagination can come up with! It is a challenging, but fun, physical activity for your dog; parkour can be done anywhere. Dog Parkour helps with confidence and overcoming fears, and is a low impact but challenging activity for any canine athlete. Please visit our website for more information on this class

Prerequisites: This class is for dogs 9 months and older. Dogs must have completed our

Teaching Fido Basic Manners class or an equivalent basic manners class. Dogs should be able to sit, down, stay and come.

Sniffing classes help build confidence in shy dogs and strengthens the relationship between you and your dog.

AMERICAN KENNEL CLUB CANINE GOOD CITIZENS CLASS

AGES 18+

Is your dog ready to earn the Canine Good Citizen (CGC) Certificate? The Canine Good Citizen is an American Kennel Club program used to promote responsible dog ownership and to encourage the training of well-mannered dogs. Dogs who have solid basic manners are a joy to live with. They respond well to household routines, have good manners in the presence of people and other dogs, and they fully enjoy the company of the owner who took the time to provide training, intellectual stimulation and a high quality of life. For more information on the American Kennel Club Canine Good Citizen, please visit www.akc.org The CGC certificate is also a prerequisite for many therapy dog programs which is why, in addition to teaching your dog the skills needed to pass the CGC test, we have added a bonus of teaching many of the same skills assistance/therapy dogs need to learn.

Prerequisites: Your dog must have taken a basic manners class (or demonstrate basic manners) and be able to sit, down, stay and come. Your dog must be comfortable with the instructor handling your dog (i.e., touch different parts of your dog's body) and brush your dog.
