Shannon Motsco

October 9, 2020

Hello CSP Families,

I hope my letter finds you well. By now, I am sure that you are aware of Dr. Arlotto's proposed plan to reopen schools. Specifically, the plan is to begin bringing Pre-K through second grade back on November 16th, and grades 3-5 back on November 30th. There is no timeline for middle or high school yet. Under this plan, students who choose the hybrid model will be divided into cohorts where half the class would attend in person on Monday/Tuesday, and the other half will attend in person on Thursday/Friday. When student cohorts are not in the building, they will continue to learn virtually in conjunction with the cohort that is receiving in person instruction. There will also be an option for 100% virtual learning. To plan effectively, we need to know your choice for your child(ren). **To do this, we quickly need information from you.**

By October 15th, at 9 pm, please click [HERE](#) to indicate your hopes for your child as we move forward. **This is a CHESAPEAKE SCIENCE POINT specific survey.**

You should have also received a survey from AACPS regarding your student's return. If you've done so, please also click on the below link to access and complete the AACPS survey by midnight, October 15th, 2020: www.aacps.org/oct2020familyreopening

It will be very important that you read all emails that we send to you in the coming days, so we are on the same page.

Sincerely,
Principal Jefferson
